

# SUMMER AT THE ONE ELM

Welcome back! We have missed everyone so much. We're delighted to be getting back to serving you the good stuff. The food in a proper pub should be simple and tasty. That doesn't mean it has to be cheap and nasty. Our menu features everything we've been missing most, plus specials focusing on the very best Summer ingredients we can source daily from our farmers, fishermen and fruit and veg growers. They need our support, and (honestly) we need yours. Please come as often as you can, and eat and drink your fill, to ensure that the Great British pub survives and thrives as we all need it to. Cheers.
