THE BARN

If you're looking for a beautiful rustic venue that's both welcoming and full of character, The Barn is the perfect choice. The space comfortably seats up to 55 guests or accommodates up to 100 standing, making it ideal for a wide range of occasions.

Styled with light, summery décor, the barn offers a relaxed yet elegant atmosphere. You're very welcome to add your own personal touches with table decorations; however, we kindly ask that confetti and glitter are not used.

This versatile space is perfect for weddings, christenings, birthday parties, and everything in between. Step outside into our sunny courtyard, drink in hand. During the warmer months, it provides the perfect setting for a drinks reception, giving you even more room to celebrate.

With your booking, you'll have access to a speaker system for your music, a large screen TV, and the option to host live music until 10pm.

Our bar is always fully stocked, and our team are on hand to make your occasion truly special, taking care of every detail so you can relax and enjoy the moment.

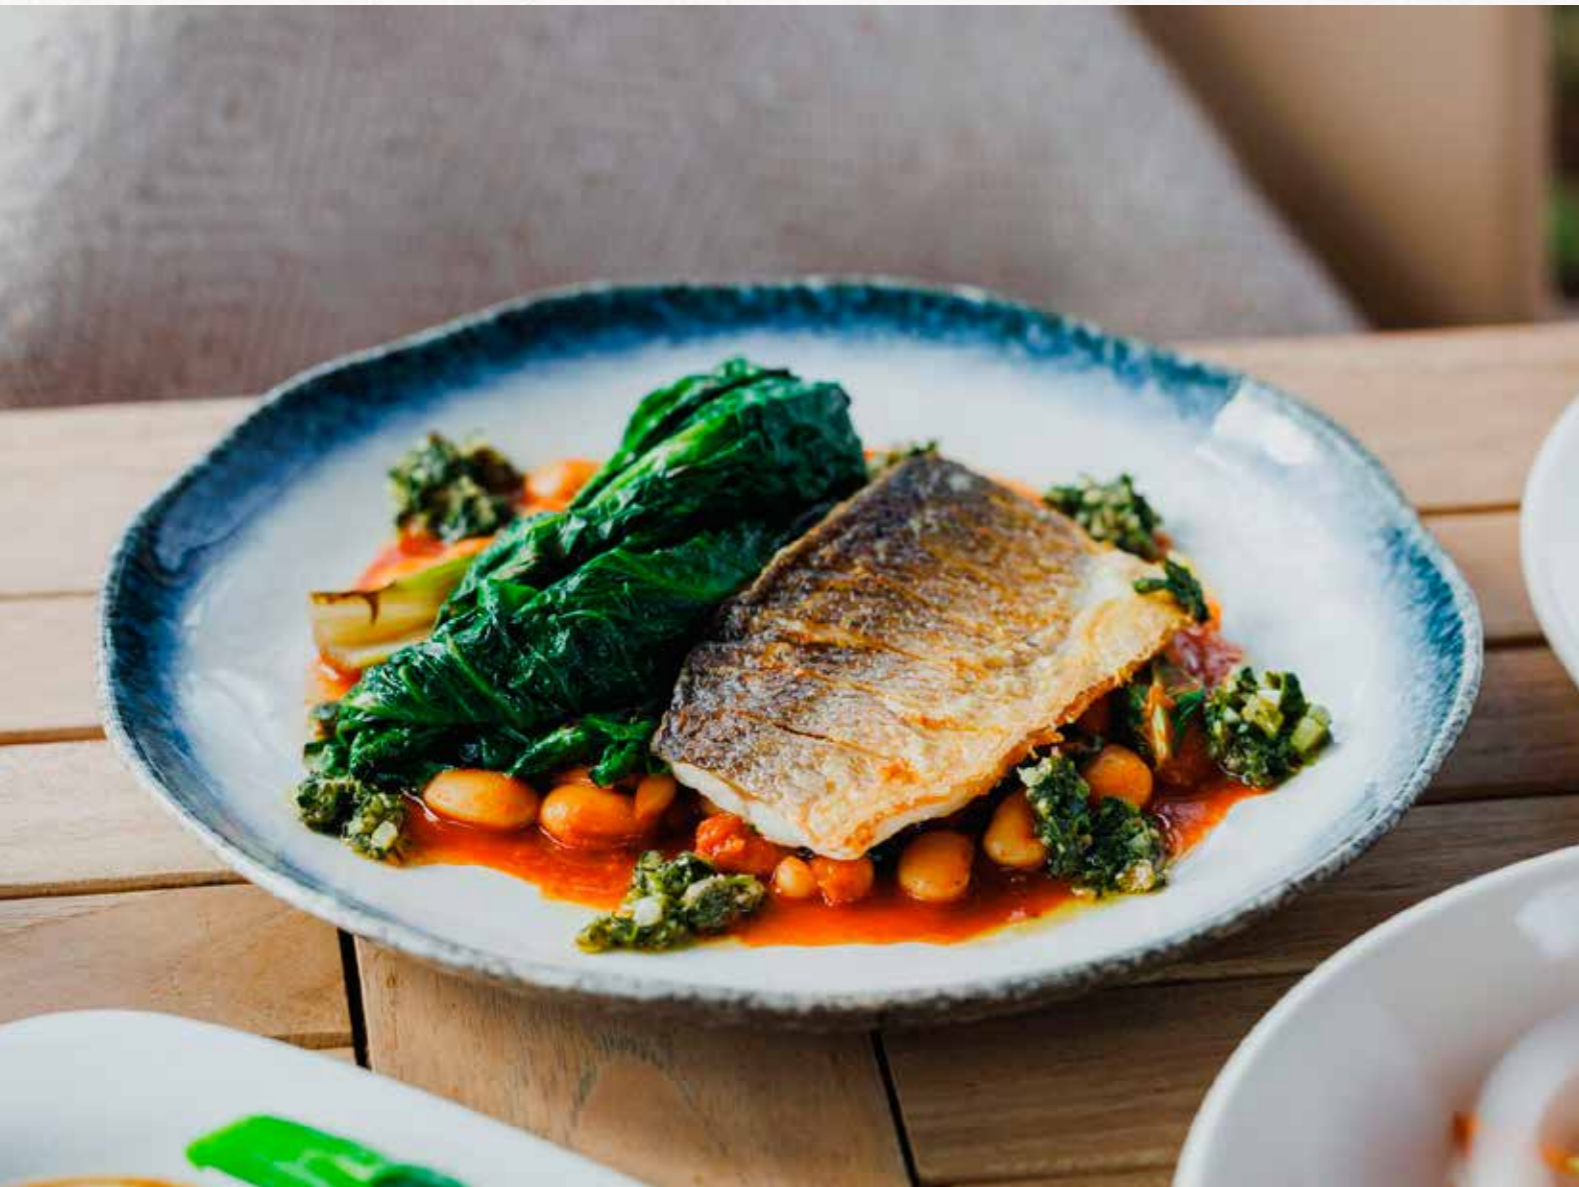

Whatever the occasion, we're here to ensure your event is exactly how you imagine it.

THE GOOD STUFF

We serve only what we love. For over 20 years, we've sourced the best British ingredients, with top-quality meat from Aubrey Allen, a Royal Warrant-holding butcher. Our 28-day dry-aged steaks come from rare British beef herds, and our chicken, eggs, pork, and ice cream are all free-range. We prioritise sustainability and the best of British wherever possible.

Our drinks are expertly selected, with a great range of spirits, softs, and premium wines, there's something for everyone.
